SmogRite

Smog-shop intake
Built in Chula Vista

Simple Pricing — Pick Your Plan

Base

$69.99/mo

The in-shop basics — QR code check-in, the queue, and so on.

- QR self check-in (EN/ES)
- Live queue
- VIN / plate scan (USB gun or phone camera)
- E-signature on estimate
- Estimate & invoice links to customer's phone
- Google review ask after the visit

RECOMMENDED

Online

$179.99/mo

We make you the website, we do your chat widget, and we optimize it.

- Everything in Base, plus:
- A simple shop website
- Website chat with automated replies
- *No phone features in this plan (no texting, no automated voice)*
- Pre-check-in / Schedule Ahead: *available on request*

Online + Texting

$229.99/mo

All the extra stuff — automated texting, callbacks, voice messages, and so on.

- Everything in Online, plus:
- Texting
- Email
- Automated voice (missed-call answering)
- **Google Business Profile optimization & cleanup INCLUDED**
- Texting and voice set up per shop after Online is running.

Google Business Profile Cleanup

$150 one-time

Standalone option if not on Online + Texting. One correct name, phone, suite, hours, categories, real photos. Not an ad agency — no ranking promises.

What SmogRite does: Customer intake and estimate paperwork. Does not run smog tests. Does not replace your shop software — you copy clean info over instead of retyping it.
